Life story of Roy Campanella who was one of the first African-American baseball players in the major leagues. Introduces readers to the life and career of baseball star Kris Bryant. Colorful spreads, fun facts, interesting sidebars, and a map of important places in his life make this a thrilling read for young sports fans. As a sixteen-year-old in Venezuela, José Altuve attended a tryout camp with the Houston Astros. The Astros rejected him because he was too short, but that

didn't break his spirit. He attended the tryout a year later and earned a minor-league contract with Houston. Just five-foot-five, Altuve has become a baseball phenomenon. He has played in four MLB All-Star Games and led the American League in hits, stolen bases, and batting average. In 2016, he even belted more than twenty home runs. Learn how Altuve overcame the odds in his first-ever biography. Full-color photographs and plenty of vibrant quotes bring his story into sharp focus. For baseball players, the dream of a championship season begins in spring training.

Newcomers and veterans, journeymen and legends, all come together for a single purpose--to win the World Series. And each year, all but one team goes into the off-season disappointed. But for that one team, the hard work of spring training and the grind of a 162-game season gives way to the euphoria of a championship, fulfilling a dream for the team and its fans. The 28 players, managers, and pitching coaches here have all experienced baseball's postseason. Many have been a part of championship teams; others have lived every baseball dream except winning the World

Series. Among the interviewees are Jack McKeon, Jim Leyland, Tony Perez, Mark Grace, Robin Yount, Lou Piniella, Don Baylor, Jeff Bagwell, Alfonso Soriano, Larry Bowa, and Jim Thome. Mike Lowell provides a foreword as well as an interview. These baseball men share their thoughts about their accomplishments, the art of hitting and pitching, what it takes to become a champion, and the leadership qualities necessary for a winning team. They also reflect on the people who have motivated them and what goes on in a winning major league clubhouse. Play smart. Play to win. Play like a

champion.  
Highlights the life and accomplishments of the champion baseball player who was the first Japanese position player to switch from the Japanese League to the Major Leagues. Girl's Baseball Champion Notebook - The perfect gift for any baseball player, fan and champion. Show them how much of a champion baseball player you think they are with this unique gift. Also makes the perfect gift for Birthday, Mother's Day and Christmas. Size: 6 x 9 in. 120 Pages Glossy soft cover Printed on white paper Examines the personal life and baseball career of

the man considered by many sports experts to be the greatest baseball player of all time. A New York Times Bestseller Detroit, mid-1930s: In a city abuzz over its unrivaled sports success, gun-loving baseball fan Dayton Dean became ensnared in the nefarious and deadly Black Legion. The secretive, Klan-like group was executing a wicked plan of terror, murdering enemies, flogging associates, and contemplating armed rebellion. The Legion boasted tens of thousands of members across the Midwest, among them politicians and prominent citizens—even, possibly, a beloved athlete. Terror in

the City of Champions opens with the arrival of Mickey Cochrane, a fiery baseball star who roused the Great Depression's hardest-hit city by leading the Tigers to the 1934 pennant. A year later he guided the team to its first championship. Within seven months the Lions and Red Wings follow in football and hockey—all while Joe Louis chased boxing's heavyweight crown. Amidst such glory, the Legion's dreadful toll grew unchecked: staged "suicides," bodies dumped along roadsides, high-profile assassination plots. Talkative Dayton Dean's involvement would deepen as

heroic Mickey's Cochrane's reputation would rise. But the ballplayer had his own demons, including a close friendship with Harry Bennett, Henry Ford's brutal union buster. Award-winning author Tom Stanton weaves a stunning tale of history, crime, and sports. Richly portraying 1930s America, *Terror in the City of Champions* features a pageant of colorful figures: iconic athletes, sanctimonious criminals, scheming industrial titans, a bigoted radio priest, a love-smitten celebrity couple, J. Edgar Hoover, and two future presidents, Gerald Ford and Ronald Reagan. It is

a rollicking true story set at the confluence of hard luck, hope, victory, and violence. His powerful hitting has made Albert Pujols one of baseball's biggest stars. This book traces Pujols's life from his earliest days in the Dominican Republic through the present day. First published in 1888, *Play Ball! Everything You Need To Become The World's Best Baseball Player* is a classic manual of the Great American Pastime, written by a champion professional ballplayer, team captain and manager. John Montgomery "Monte" Ward was a man of tremendous talent and personal integrity, and a true

sports hero for his own time and ours. This latest Better Days Books *Growing up Great Guide for American Boys* is a practical and inspiring beginner's guide to understanding the "nuts and bolts" of America's favorite game (the rules, the layout of the field, the domain and duties of each position, etc.), and an indispensable handbook aspiring stars of the field, mound and batter's box can employ toward the achievement of their highest potential as players. Includes valuable tips on training and diet, how and when to steal bases (and how to know when to stay put!), the mechanics of

pitching an unhittable curve ball and more! Covers the life of the Boston Red Sox third baseman. This exciting book introduces readers to the life and career of baseball star Cody Bellinger. Colorful spreads, fun facts, interesting sidebars, and a map of important places in his life make this a thrilling read for young sports fans. In *Winning Fantasy Baseball*, Larry Schechter discloses the secrets of his proven methods. Packed with commonsense, easy-to-use strategies for beginners through experienced players, Schechter supplies readers with a toolkit to achieve the most

important thing in fantasy ball--winning! Some have called Schechter one of the best fantasy baseball players in the world. He is a two-time winner of the CDM Sports national salary-cap challenge, having defeated 7,500 competitors in 2002 and 6,000 in 2005. He is also a six-time winner of the renowned *Tout Wars* experts league and a one-time winner of the USA Today-sponsored *League of Alternative Baseball Reality (LABR)*. Readers will learn directly from the champ everything they need to know about: • how to project player stats; • how to convert those stats into a

specific value; • strategy for snake drafts, and mono-league and mixed auctions; • selecting teams using a salary cap; • playing in keeper leagues; • and performing in-season management. Although the book is primarily about fantasy baseball, many of the concepts also apply to fantasy football and other fantasy sports. Introduces the life and accomplishments of champion baseball player Derek Jeter, a shortstop for the New York Yankees who several American League records. Describes the life and accomplishments of champion baseball player Ichiro Suzuki, the first

Japanese position player to switch from the Japanese League to the Major Leagues. Baseball's most outspoken fireballer brings the high heat—calling out the hacks, cheats, and ridiculous rules that have tarnished the game—and pitches a-plus stuff on how to make baseball pure, fun, and damn near perfect. Baseball has an image problem. The chorus of nonbelievers gets louder every year, and the Major Leagues have made an art of tuning them out. Enter Joe Kelly: a walking, talking, fast-ball-throwing embodiment of why baseball matters. He and his All-Star team of athletes

and celebrities have some things to say about what's gone wrong with our once great game and how to fix it. A Damn Near Perfect Game is the loudest insider's exposé of the laws and culture of Major League Baseball since Jim Bouton's classic Ball Four. From Kelly's perspective as a two-time World Series champion and baseball's most memeable player according to ESPN, he takes readers on a house-cleaning tour of the clubhouse, the field of play, the bullpen, the front office, the commissioner's office, and a ballplayer's restricted life off the field. Kelly has something to say about baseball's

rule changes (pitch clocks, limiting defensive shifts, the designated hitter); hacks (overused analytics, sign-stealing); stale promotion to new fans; and encouraging players' emotions (let them fight, bat-flip, and talk sh\*t!). Plus, he details how he aired his complaints in an illuminating meeting with commissioner Rob Manfred. And to show what happens when baseball has some piss and vinegar, Kelly gives the inside scoop on his legendary exploits—starting a bench-clearing brawl with the Yankees' Tyler Austin, his famous “pouty face” scene when calling out the notorious sign-

stealing Houston Astros, and wearing a mariachi jacket to visit the White House with his World Series champion LA Dodgers. This is the perfect and inexpensive birthday, appreciation gift for your soulmate or friends to doodle, sketch, put stickers, write memories, or take notes in. Grab this amazing journal gift now! Red Sox fans fill Fenway Park in Boston to see the living legend David Ortiz play. Known as "Big Papi," the designated hitter Ortiz has astonished baseball fans with huge hits and a big smile. In this fact-filled biography, readers discover that Ortiz learned about

baseball from his father in the Dominican Republic. They follow Ortiz's path from high school to his first professional contract with the Seattle Mariners, his trade to the Minnesota Twins, and then his outstanding hitting and World Series triumphs with the Red Sox. A timeline and list of other living legends of baseball are included. Words and wisdom from Chicago Bulls #23: Mega-superstar, "His Airness" He is the most successful player to ever wear a basketball uniform. On the court and off the court, Michael has entertained the world as a pitchman, movie

star, spokesperson, and an extraordinary athlete-although not the greatest baseball player. For the first time ever, bestselling author Janet Lowe has compiled a portrait from Michael's own words. Michael Jordan Speaks touches upon everything about the sport, his mega-superstar status, and his life, culled from articles, newscasts, and interviews. In a newly revised edition, Philadelphia Phillies World Series Champion baseball player, Ryan Howard, gives an in-depth look into the life of an athlete on and off the field. The League MVP and Rookie of the Year

is the subject of a biography that uses a question and answer format to dig deep into the heart and soul of the ballplayer.

Filled with history, stats, coaching, and inside information, this story is for the hard core and casual baseball fan wanting to learn more about the home run hitting star. A funny book, with a personality suited for the reader from young adult to mature.

Our notebooks feature artwork wrapped with a wear-resistant polished cover. Inside, there is room for writing notes, stories and ideas. It can be used as a notebook, diary, or composition book. This notebook is 6

"x 9" (message size) and contains 120 lined pages (60 sheets). Quality paper means minimal width even when using heavy ink! cover Printed on white paper Jimmy Winter is a born star on the baseball field, and Seth Barnam can only dream of being as talented. Still, the two baseball fanatics have the kind of friendship that should last forever. But when Seth experiences an unthinkable loss, he's forced to find his own personal strength--on and off the field. An ALA Best Book for Young Adults An ALA Best Book for Reluctant Readers A New York Public Library Book for the Teen Age Pennsylvania Young Reader's Choice Book of the Year "Pete Rose was a legend on the field. As baseball's Hit King, he shattered a number of hitting

records that may never be broken. And during the 1970s, he was the leader of the Big Red Machine, the Cincinnati Reds teams that dominated the game. But he's also the greatest player who may never make the Hall of Fame because of his lifetime ban from the sport. Perhaps no other athlete's story is so representative of the triumphs and tragedies of our national pastime. In *Play Hungry*, Rose tells us the story of how through hard work, hustle, and sheer will he became one of the unlikeliest stars of the game. Guided by the dad he idolized, a local sports hero with the spirit of a

champion, Pete had an All-American boyhood. But even with the coaching of his father on how to compete and play baseball the right way, Pete was cut from his team as a teenager--he wasn't a natural. By the time scouts were coming to his high school games, he wasn't even considered the best player on the team. Rose was determined, though, and never would be satisfied with anything less than success. His relentless hustle and headfirst style would help him overcome his natural shortcomings, leading to a storied career including the Rookie of the Year Award, three batting titles, and

the MVP Award. Play Hungry is Pete Rose's love letter to the game, and an inside story of life on the diamond"-- "Discusses the life of pro baseball player Alex Rodriguez, including his childhood and early baseball career, his rise to stardom on the Seattle Mariners, his lucrative contracts, and his All-Star career with the New York Yankees"- -Provided by publisher. "Discusses the life of New York Yankees shortstop Derek Jeter, including his childhood and minor-league career, individual highlights from his major-league career, and his championship

seasons with the Yankees"--Provided by publisher. Baseball Junkie is about more than baseball. Why would a two-time World Series champion who has achieved a level of success most men only dream about find himself on his knees, weeping, a loaded .357 Magnum pressed against his temple? Aubrey confronts his demons in Baseball Junkie. The book takes you on a wild roller-coaster ride from his humble beginnings as a quiet, shy kid growing up in a trailer park in a small Texas town, through the brutal murder of his father, to an Adderall-infused egomaniac standing

in front of a million-plus Giants fans at the 2010 World Series parade in downtown San Francisco, proudly displaying women's underwear, his "rally thong," for the world to see. As a two-time World Series Champion who reached the pinnacle of Major League Baseball before retiring at age thirty-six in 2012, Aubrey Huff earned a place in Major League Baseball history. Baseball Junkie uses brutal honesty, humor, and first-person narration to draw an intimate portrait of life in the big leagues. Aubrey bares all, taking the reader inside the complex life and mind of a man as he balances victories with the

crippling demons of addiction, divorce, anxiety, depression, and feelings of inferiority. It inspires each of us to seek more than what this world has to offer. To rise above mediocrity and achieve our true potential while staying focused on what really matters when the fame and excitement of the game fade with the sunset. In 2010, Tim Lincecum pitched the San Francisco Giants to a World Series Championship. Along the way, he won two Cy Young Awards. This fastball pro is at the top of his game, but it hasn't always been that way. As a kid, Lincecum was smaller than most of the other boys on his Little League

and school baseball teams. He often spent more time sitting on the bench than he did playing on the field. He could have given up—but he didn't. Lincecum worked even harder, lifting weights and practicing on his own. The extra effort paid off. While he's still not the biggest pitcher in the majors, he's proven to be one of the best. The World Series is the championship competition played between the two top Major League Baseball (MLB) teams. Each year, this competition decides which team will become the MLB champion. Learn more about this fascinating championship in World Series, a title

in the We Are the Champions series. We Are the Champions is a series of AV2 media enhanced books. Each title in the series features easy-to-read text, stunning visuals, and a challenging educational activity. A unique book code printed on page 2 unlocks multimedia content. These books come alive with video, audio, weblinks, slideshows, activities, hands-on experiments, and much more. Jimmy Winter is a born star on the baseball field, and Seth Barnam can only dream of being as talented. Still, the two baseball fanatics have the kind of friendship that should last forever. But when

Seth experiences an unthinkable loss, he's forced to find his own personal strength--on and off the field. Thanksgiving, Christmas and any occasion. Write & Be Happy! Profiles the life and career of the Red Sox second baseman who won the 2007 American League Rookie of the Year and helped his team win the 2007 World Series. The 1934 St. Louis Cardinals were one of the most colorful crews ever to play the National Pastime. Sportswriters delighted in assigning nicknames to the players, based on their real or imagined qualities. What a cast of characters it was! None was more picturesque than Pepper Martin, the "Wild Horse of the Osage," who ran the bases with reckless abandon,

led his teammates in off thefield hijinks, and organized a hillbilly band called the Mississippi Mudcats. He was quite a baseball player, the star of the 1931 World Series and a significant contributor to the 1934 championship. The harmonica player for the Mudcats was the irrepressible Dizzy Dean. Full of braggadocio, Dean delivered on his boasts by winning 30 games in 1934, the last National League hurler to achieve that feat. Dizzy and his brother Paul accounted for all of the Cardinal victories in the 1934 World Series. Some writers tried to pin the moniker

Daffy on Paul, but that name didn't fit the younger and much quieter brother. The club's hitters were led by the New Jersey strong boy, Joe "Ducky" Medwick, who hated the nickname, preferring to be called "Muscles." Presiding over this aggregation was the "Fordham Flash," Frankie Frisch. Rounding out the club were worthies bearing such nicknames as Ripper, "Leo the Lip," Spud, Kiddo, Pop, Dazzy, Ol' Stubblebeard, Wild Bill, Buster, Chick, Red, and Tex. Some of these were aging stars, past their prime, and others were youngsters, on their way up. Together they comprised a

championship ball club. "The Gas House Gang was the greatest baseball club I ever saw. They thought they could beat any ballclub and they just about could too. When they got on that ballfield, they played baseball, and they played it to the hilt too. When they slid, they slid hard. There was no good fellowship between them and the opposition. They were just good, tough ballplayers." — Cardinals infielder Burgess Whitehead on "When It Was A Game," HBO Sports, 1991

Introduces readers to the life and career of baseball star Mookie Betts. Colorful spreads, fun facts,

interesting sidebars, and a map of important places in his life make this a thrilling read for young sports fans. In 1916, over 500 men played in a major league game. Many of those players' names are inseparable from baseball—39 are members of the Hall of Fame—while others have only one line in the record books. Some enjoyed highly productive careers after leaving the game; others lacked the temperament, skills or opportunities to find success after baseball. This book is the first to focus on a representative group of major leaguers, the Class of 1916, in seeking answers to the questions Who was

the average major leaguer in the late deadball era? What was his background? and What became of him when his playing days ended?

Introductory chapters offer background information on the era and discuss the 1916 season; provide information on the players' ethnic and geographic origins, ages, and average physical sizes; chart player performance; and summarize post-playing careers and mortality statistics for the group. The main body of the work, a biographical dictionary, is arranged alphabetically, and each entry includes

career and biographical information, statistics, post-baseball accomplishments and death. Many rare photographs accompany the text.
