***American Philosophy Sep 10 2021 The epic wisdom contained in a lost library helps the author turn his life around John Kaag is a dispirited young philosopher at sea in his marriage and his career when he stumbles upon West Wind, a ruin of an estate in the hinterlands of New Hampshire that belonged to the eminent Harvard philosopher William Ernest Hocking. Hocking was one of the last true giants of American philosophy and a direct intellectual descendent of William James, the father of American philosophy and psychology, with whom Kaag feels a deep kinship. It is James's question "Is life worth living?" that guides this remarkable book. The books Kaag discovers in the Hocking library are crawling with insects and full of mold. But he resolves to restore them, as he immediately recognizes their importance. Not only does the library at West Wind contain handwritten notes from Whitman and inscriptions from Frost, but there are startlingly rare first editions of Hobbes, Descartes, and Kant. As Kaag begins to catalog and read through these priceless volumes, he embarks on a thrilling journey that leads him to the life-affirming tenets of American philosophy—self-reliance, pragmatism, and transcendence—and to a brilliant young Kantian who joins him in the restoration of the Hocking***

**Pawns in the Game Apr 05 2021 Here is a true story of international intrigue, romances, corruption, graft, and political assassinations, the like of which has never been written before. It is the story of how different groups of atheistic- materialistic men have played in an international chess tournament to decide which group would win ultimate control of the wealth, natural resources, and man- power of the entire world. It is explained how the game has reached the final stage. The International Communists, and the International Capitalists, (both of whom have totalitarian ambitions) have temporarily joined hands to defeat Christian-democracy. The solution is to end the game the International Conspirators have been playing right now before one or another totalitarian-minded group imposes their ideas on the rest of mankind. The story is sensational and shocking, but it is educational because it is the TRUTH. The author offers practical solutions to problems so many people consider insoluble.**

**Catherine Coulter THE FBI THRILLERS COLLECTION Books 1-5 Dec 01 2020 The first five FBI Thrillers from #1 New York Times bestselling author Catherine Coulter. **THE COVE** In this "fast-paced" (Publishers Weekly) page-turner, the daughter of a murdered high-powered lawyer seeks sanctuary in**

***a quaint little town, only to learn she can't escape her past—or FBI Special Agent Dillon Savich. THE MAZE FBI Special Agent Dillon Savich teams up with new agent Lacey Sherlock in a case that leads them back to the murder of Sherlock's sister seven years ago—and put both their lives on the line. THE TARGET FBI agents Dillon Savich and Lacey Sherlock are faced with the case of an abducted child. But is the girl's kidnapper really her savior? THE EDGE An FBI agent's sister disappears after an attempted suicide. When Savich and Sherlock join the search, they discover a startling connection to a puzzling murder. RIPTIDE FBI agents Dillon Savich and Lacey Sherlock must protect a young political speechwriter who has received threats against her life. But they could never guess that the danger is already close to his prey—and about to strike.***

***The Secrets of the FBI Mar 24 2020 New York Times bestselling author reveals the FBI's most closely guarded secrets, with an insider look at the bureau's inner workings and intelligence investigations. Based on inside access and hundreds of interviews with federal agents, the book presents an unprecedented, authoritative window on the FBI's unique role in American history. From White House scandals to celebrity deaths, from cult catastrophes to the investigations of terrorists, stalkers, Mafia figures, and spies, the FBI becomes involved in almost every aspect of American life. Kessler shares how the FBI caught spy Robert Hanssen in its midst as well as how the bureau breaks into homes, offices, and embassies to plant bugging devices without getting caught. With revelations about the raid on Osama bin Laden's compound, the recent Russian spy swap, Marilyn Monroe's death, Vince Foster's suicide, and even J. Edgar Hoover, The Secrets of the FBI presents headline-making disclosures about the most important figures and events of our time.***

***The FBI-KGB War Aug 09 2021 The names, we sometimes say, have been changed "to protect the innocent". As regards those agents in KGB networks in the U.S. during and following World War II, their presence and their deeds (or misdeeds) were known, but their names were not. The FBI-KGB War is the exciting, true (which often really is stranger than fiction), and authentic story of how those names became known and how the not-so-innocent persons to whom those names belonged were finally called to account. Following World War II, FBI Special Agent Robert J. Lamphere set out to uncover the extensive American networks of the KGB. Lamphere***

**used a large file of secret Russian messages intercepted during the war. The FBI-KGB War is the detailed (but never boring) story of how those messages were finally decoded and made to reveal their secrets, secrets that led to persons with such now-infamous names as Judith Coplon, Klaus Fuchs, Harry Gold, and Ethel and Julius Rosenberg.**

**What Every BODY is Saying Apr 24 2020 Joe Navarro, a former FBI counterintelligence officer and a recognized expert on nonverbal behavior, explains how to "speed-read" people: decode sentiments and behaviors, avoid hidden pitfalls, and look for deceptive behaviors. You'll also learn how your body language can influence what your boss, family, friends, and strangers think of you. Read this book and send your nonverbal intelligence soaring. You will discover: The ancient survival instincts that drive body language Why the face is the least likely place to gauge a person's true feelings What thumbs, feet, and eyelids reveal about moods and motives The most powerful behaviors that reveal our confidence and true sentiments Simple nonverbals that instantly establish trust Simple nonverbals that instantly communicate authority Filled with examples from Navarro's professional experience, this definitive book offers a powerful new way to navigate your world.**

**The Last Second Nov 24 2022 The New York Times bestselling Brit in the FBI series continues with this thrilling "popcorn movie in print form" (Associated Press) pitting special agents Nicholas Drummond and Michaela Caine against a private French space agency that has the power to end the world as we know it. Galactus, France's answer to SpaceX, has just launched a communications satellite into orbit, but the payload actually harbors a frightening weapon: a nuclear bomb that can trigger a massive electromagnetic pulse (EMP). When the satellite is in position, Galactus's second-in-command, Dr. Nevaeh Patel, will have the power to lay waste to the world. A former astronaut, Patel believes she is following the directions of the Numen, aliens who saved her life when she space-walked outside the International Space Station. She is convinced that with the Holy Grail—just discovered by the owner of Galactus, eccentric treasure hunter Jean-Pierre Broussard—she can be reunited with the Numen, change the world's destiny, and become immortal with them. The countdown has begun when Special Agents Nicholas Drummond and Michaela Caine are thrown into the pending disaster. They must stop the EMP that would wreak havoc on communication and electronic systems on**

***Earth, resulting in chaos and anarchy. With their high-octane and suspenseful prose, "Coulter and Ellison are a thriller writer's dream team, and The Last Second is some of their best work yet" (The Real Book Spy).***

***The Unquiet Nisei Sep 29 2020 An oral-history-based biography of a seminal Asian-American activist. The President's Commission on the Assassination of President Kennedy, known unofficially as the Warren Commission, was established by President Lyndon B. Johnson through Executive Order 11130 on November 29, 1963 to investigate the assassination of United States President John F. Kennedy that had taken place on November 22, 1963.***

***Secret Assignment Oct 31 2020 "A career special agent of the FBI concentrating on Eastern European counter-espionage investigations, Edward Gazur was selected for one of the most fascinating assignments of the cold war - to protect, befriend and debrief the highest-ranking KGB defector of all time, General Alexander Orlov. Despite their different backgrounds, Orlov and Gazur became firm friends, and the old Bolshevik, who had finally settled in Cleveland, Ohio, entrusted many secrets to his FBI confidant." "Orlov was a senior KGB officer who was the Soviet representative in Spain during the Civil War and in charge of guerrilla warfare training there. Horrified by the great purges taking place in the Soviet Union in the 1930s, in which hundreds of his colleagues and friends were executed on Stalin's orders, and ultimately in fear for his life, Orlov defected in 1938 with his wife and daughter and went into hiding in the United States. Worried about the safety of his relatives still in the USSR, he was not able to reveal to the world the true nature of Stalin's crimes until 1953, with the publication of a series of articles in Life magazine. Still in danger from KGB revenge squads - especially after two attempts to contact him in 1969 and 1971 - he maintained secrecy on a number of KGB***

**operations, which he later revealed to his friend Gazur." "During their remarkable conversations, Orlov cast new light on many well-known cases - including the removal of gold from the Spanish Treasury to the Soviet Union during the Civil War, Stalin's 'terrible secret', the assassination of Trotsky and the kidnapping of General Miller. Gazur describes these as well as detailing Orlov's career in the Spanish Civil War, the background to Orlov's defection and his flight to the US, and Orlov's many years in hiding - and on the move - during which tragedy hit his family. The story that emerges is a truly authentic insider's account of Stalin's brutal regime, how the KGB waged its war on the West, and the courage of one man's stand against dictatorship." "Only rarely had the FBI allowed one of its counter-intelligence experts to write his memoirs, and alongside Orlov's story Gazur also reveals details of his FBI career, describes his close relationship with the General, and puts forward his own conspiracy theory regarding Orlov's death in 1973."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. **Examining DOJ's Investigation of Journalists who Publish Classified Information Dec 21 2019**

**Killers of the Flower Moon: Adapted for Young Readers Nov 12 2021 The New York Times bestseller and National Book Award finalist Killers of the Flower Moon is now adapted for young readers. This book is an essential resource for young readers to learn about the Reign of Terror against the Osage people--one of history's most ruthless and shocking crimes. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma, thanks to the oil that was discovered beneath their land. Then, one by one, the Osage began to die under mysterious circumstances, and anyone who tried to investigate met the same end. As the death toll surpassed more than twenty-four Osage, the newly created Bureau of Investigation, which became the FBI, took up the case, one of the organization's first major homicide investigations. An undercover team, including one of the only Native American agents in the bureau, infiltrated the region, struggling to adopt the latest modern techniques of detection. Working with the Osage, they began to expose one of the most chilling conspiracies in American history. In this adaptation of the adult bestseller, David Grann revisits his gripping investigation into the shocking crimes against the Osage people. The book is a searing indictment of the callousness and prejudice toward Native Americans that allowed the murderers to occur for so long.**

**The Final Cut Oct 19 2019 From Catherine Coulter, the #1 New York Times-**

**bestselling author of the FBI Thriller series, and J.T. Ellison, bestselling author and ITW Award winner, comes the first book in a brilliant new international thriller series featuring a new hero: American-born, UK-raised Nicholas Drummond. Scotland Yard's new chief inspector Nicholas Drummond is on the first flight to New York when he learns his colleague, Elaine York, the "minder" of the Crown Jewels for the "Jewel of the Lion" exhibit at the Metropolitan Museum of Art, was found murdered. Then the centerpiece of the exhibit, the infamous Koh-i-Noor Diamond, is stolen from the Queen Mother's crown. Drummond, American-born but raised in the UK, is a dark, dangerous, fast-rising star in the Yard who never backs down. And this case is no exception. Special Agents Lacey Sherlock and Dillon Savich from Coulter's bestselling FBI series don't hesitate to help Drummond find the cunning international thief known as the Fox. Nonstop action and high stakes intensify as the chase gets deadly. The Fox will stop at nothing to deliver the Koh-i-Noor to the man who believes in its deadly prophecy. Nicholas Drummond, along with his partner, FBI Special Agent Mike Caine, lay it on the line to retrieve the diamond for Queen and country.**

**Cuban Revolution in America Dec 13 2021 Cuba's grassroots revolution prevailed on America's doorstep in 1959, fueling intense interest within the multiracial American Left even as it provoked a backlash from the U.S. political establishment. In this groundbreaking book, historian Teishan A. Latner contends that in the era of decolonization, the Vietnam War, and Black Power, socialist Cuba claimed center stage for a generation of Americans who looked to the insurgent Third World for inspiration and political theory. As Americans studied the island's achievements in education, health care, and economic redistribution, Cubans in turn looked to U.S. leftists as collaborators in the global battle against inequality and allies in the nation's Cold War struggle with Washington. By forging ties with organizations such as the Venceremos Brigade, the Black Panther Party, and the Cuban American students of the Antonio Maceo Brigade, and by providing political asylum to activists such as Assata Shakur, Cuba became a durable global influence on the U.S. Left. Drawing from extensive archival and oral history research and declassified FBI and CIA documents, this is the first multidecade examination of the encounter between the Cuban Revolution and the U.S. Left after 1959. By analyzing Cuba's multifaceted impact on American radicalism, Latner contributes to a growing body of scholarship that has globalized the study of U.S. social justice movements.**

**"Communazis" Feb 15 2022 Based on FBI files released under the Freedom**

*of Information and Privacy Acts, this riveting book reveals the disturbing details and surprising extent of U.S. government surveillance against German emigr writers, artists, and intellectuals who sought refuge in America after World War II. 26 illustrations.*

*The Gordon File May 18 2022 "Most Americans imagine, I think, that the government agencies charged with national security are at least well intentioned and reasonably competent, but this book will shatter their illusions on both counts. It might also cause them to think twice about some of the programs for collecting 'intelligence' and 'information' that have been proposed for the current 'war against terrorism.' Although The Gordon File tells a story that comes to an end around 1970, the lesson could hardly be more timely than it is today." —Fred Haines, a filmmaker whose credits include *Ulysses* and *Steppenwolf* For twenty-six years, the FBI devoted countless hours of staff time and thousands of U.S. taxpayer dollars to the surveillance of an American citizen named Bernard Gordon. Given the lavish use of resources, one might assume this man was a threat to national security or perhaps a kingpin of organized crime—not a Hollywood screenwriter whose most subversive act was joining the Communist Party during the 1940s when we were allied with the USSR in a war against Germany. For this honest act of political dissent, Gordon came to be investigated by the House Committee on Un-American Activities in 1952, blacklisted by the Hollywood film industry, and tailed by the FBI for over two decades. In The Gordon File, Bernard Gordon tells the compelling, cautionary story of his life under Bureau surveillance. Drawing on his FBI file of over 300 pages, which he obtained under the Freedom of Information Act, he traces how the Bureau followed him from Hollywood to Mexico, Paris, London, Rome, and even aboard a Dutch freighter as he created an unusually successful, albeit uncredited, career as a screenwriter and producer during the blacklist years. Comparing his actual activities during that time to records in the file, he pointedly and often humorously underscores how often the FBI got it wrong, from the smallest details of his life to the main fact of his not being a threat to national security. Most important, Gordon links his personal experience to the headlines of today, when the FBI is again assuming broad powers to monitor political dissidents it deems a threat to the nation. "Is it possible," he asks, "that books like this will help to move our investigative agencies from the job of blackmailing those who are critical of our imperfect democracy to arresting those who are truly out to destroy us?"*

*The Origins of FBI Counterintelligence Jan 26 2023 Examines the United*

**States- efforts to create and project a strong counterintelligence capability both at home and abroad during the 1930s. Several federal agencies, governmental departments, and military divisions vied for that role before it was eventually handed to the FBI. The author, a former FBI agent, chronicles the evolution, achievements, and failure of that effort.**

**Insidious Mar 16 2022 "Venus Rasmussen, a powerful eighty-six-year-old woman who still runs Rasmussen Industries, an international conglomerate, believes someone is poisoning her. After Savich and Sherlock visit with her, someone attempts to shoot her in broad daylight. Who's trying to kill her and why? A member of her rapacious family, or her grandson who's been missing for ten years and suddenly reappears?"--**

**Intelligence Matters Oct 23 2022 Shining much-needed light on areas the 9/11 Commission preferred to keep dark, Intelligence Matters chronicles the efforts of a historic joint House-Senate inquiry to get to the bottom of our intelligence failures on that infamous day in 2001. Originally published in 2004 amid the media circus surrounding The 9/11 Commission Report, it told more than a riveting tale-it also provided an unflinching expos of failure, incompetence, and deceit at the highest levels of our government. The Joint Inquiry, co-chaired by Senator Bob Graham (D-Florida), was the first and arguably most effective government body to investigate the horrendous 2001 attacks. Indeed, it helped compel a reluctant George W. Bush to establish the 9/11 Commission. But while both investigations sharply criticized the failures of our nation's intelligence establishment, only Graham's dared to challenge the Bush administration on a number of troubling points-especially the apparent complicity of Saudi officials in the events of 9/11, the subsequent protection provided by President Bush for a large number of Saudis (including members of the bin Laden family), and the run-up to the Iraq War, which Graham voted against. The original work combined a compelling narrative of 9/11 with an insightful eyewitness chronicle of the Joint Inquiry's investigation, conclusions, and recommendations. Sharply critiquing the failures at the CIA, FBI, and the White House and detailing at least twelve occasions when the 9/11 plot could have been stopped, it concluded with a clear plan for overhauling our intelligence and national security establishment. For this paperback edition, Graham has added a substantial new preface and postscript that lucidly examine how effectively the nation has responded-or failed to respond-to the Joint Inquiry's recommendations. This edition restores Intelligence Matters to its rightful place as one of the key texts on the subject of 9/11 and provides a grim reminder of the challenges that remain**

*for us in the war on terror.*

***Killers of the Flower Moon Jan 14 2022 NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of The Lost City of Z. • NATIONAL BOOK AWARD FINALIST In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann's latest book, The Wager, coming soon!***

***The Unquiet Grave Feb 03 2021 Citing the 1976 murder of Native American activist Anna Mae Aquash, a history of the adversarial relationship between the FBI and Native Americans draws on the author's archival research into previously unreleased documents to reveal murderous conspiracies and cover-ups on both sides of the unofficial conflict.***

***Red Scare Jul 20 2022 The anticommunist crusade of the Federal Bureau of Investigation did not start with the Cold War. Based on research in the early files of the FBI's predecessor, the Bureau of Investigation, the author describes how the federal security officials played a decisive role in bringing about the first anticommunist hysteria in the US, the Red Scare in 1919 to 1920. The Bureau's political role, it is argued, originated in the attempt by the modern federal state during the early decades of the 20th century to regulate and control any organised opposition to the political, economic and social order.***

***Deadlock Jul 28 2020 "A young wife is forced to confront a decades-old deadly secret when a medium connects her to her dead grandfather. A vicious psychopath wants ultimate revenge against Savich, but first, she wants to destroy what he loves most—his family. A series of three red boxes are delivered personally to Savich at the Hoover Building, each one containing puzzle pieces of a town only FBI agent Pippa Cinelli recognizes. Savich sends in Cinelli to investigate undercover but someone knows who she is."--from Amazon.com.***

***Power Play Mar 04 2021 An FBI Thriller from New York Times bestselling author Catherine Coulter... Natalie Black, the U.S. ambassador to the United Kingdom, has returned to Washington with her job—and her life—in jeopardy. Everyone chalks up Black's claims of attempts on her life as a ploy for sympathy after the death of her fiancé...everyone but FBI Special Agent Davis Sullivan. Meanwhile, a cunning psychopath has escaped an Atlanta mental hospital and is out for revenge against the FBI, primarily Lacey Sherlock, whom his dying mother begged him to kill after Sherlock and Dillon Savich brought down her cult. The clock is ticking as the danger intensifies for both Black and Sherlock...***

***The Like Switch May 06 2021 Offers advice and strategies for readers to get others to like them, assess truthfulness, and read the body behavior of others.***

***FBI 100 Years Jun 26 2020 FBI 100 Years chronicles the Bureaus successes and failures from its early days as Teddy Roosevelt's trust-busting detective force to the increased emphasis on counterterrorism the post 9/11 world. Along the way, Holden revisits the gangster era and the days of McCarthyism, the unmaking of the Mob, and the disastrous standoffs at Ruby Ridge and Waco. The famous and the infamous make their appearances in the story, colorful characters such as John Dillinger and "Machine Gun" Kelly, J. Edgar Hoover and turncoat spy Robert Hansen. With added features including an exploration of the 200 categories of federal crimes that fall within the Bureaus purview, all the FBI Ten Most Wanted Fugitives lists since the first in 1949, and an entertaining look at the FBI in popular culture, this is the most thorough and authoritative book ever written about the principal law enforcement arm of the United States***

**Department of Justice.**

***The Edge Oct 11 2021 FBI agent Ford "Mac" MacDougal is recovering from injuries he received in a terrorist car bombing when his sister, Jilly, a medical researcher, drives her Porsche off an Oregon cliff - on purpose, it seems. Curiously, even though he was in a hospital bed on the other side of the country, Mac feels as if he were in the car with her as she sails towards the sea. By the time Mac arrives in Portland, Jilly has come out of the coma she's been in for four days. But after only a few hours with her brother, she vanishes without a trace. In searching for her, Mac hears a different story from everyone he encounters. When the local sheriff enlist his aid in the puzzling murder of an elderly resident, Mac doesn't suspect that the case connects to his sister's disappearance. FBI agents Lacey Sherlock and Dillon Savich (last seen in The Target) join Mac to ride shotgun. Not knowing whom to trust and whom to suspect, they must escape relentless pursuers before unearthing the tentacles of evil undermining The Edge.***

***DOLL The Hotel Detective Feb 21 2020 The woman detective, Doll visits Honolulu for guarding the chairman, Mr. Roadheym. She heard that some professional killers wait him at at an airport.***
